EDUCATION

ALTITUDE ACADEMY
(ONSITE)

\$17,500

See below for details.

ACADEMY (BOARDING) PROGRAM DETAILS

The Academy's 9.5-month program provides plenty of golf training, mental and physical performance coaching, college placement services, and professional club fitting. With room, board, and some activities included, this comprehensive package is designed for golfers aged 13 and older.

ACADEMY (NON-BOARDING) PROGRAM DETAILS

The non-boarding option offers the same exceptional golf program, mental and physical performance training, college placement assistance, and club fitting services, but is structured as a five-day-a-week program. Students will receive breakfast and lunch, without the residential accommodations.

ALTITUDE ACADEMY

Students engage in core subjects such as Math, Science, English, and Social Studies, along with electives, to fulfill the Florida high school graduation requirements. We are dedicated to creating a safe and inclusive environment with rigorous and relevant programs tailored to meet the needs of every student. Our distinctive approach focuses on two essential components: Sports and Academics.

SEMESTER PROGRAM (HIGH SCHOOL)

The Golf Performance Academy offers a semester-based enrollment option, providing students with the same comprehensive features as the full-time program. **This option includes education from Altitude Academy.**

EXPLANATION OF DEPOSITS & FEES

We offer flexible payment options to accommodate your needs. Fees can be paid as needed on a per-event or pro shop purchase basis, offering flexibility for families. Families who pay the full tuition by July 1st are eligible for a 5% discount. Please note: This discount applies only to payments made by check and is not available for credit card payments. We offer a convenient payment plan with a 25% down payment, plus one month tuition, followed by 7 monthly installments. A \$50 processing fee will be applied when choosing this option. Payments made by credit card will incur a 3% fee on the total pre-tax tuition amount.
