THE GOLF PERFORMANCE ACADEMY

Main Campus

Experience **CAMPUS LIVING**

Main Campus provides a safe, secluded environment with both girls and boys living quarters, a 7,000 sq. foot academic space, an industrial kitchen, and plenty of recreational areas for student comfort.

Our meals are thoughtfully curated in collaboration with our coaching staff and kitchen team, ensuring that each dish is not only nutritious, but also tailored to support the physical goals of our campers.

GPA has a team of both male and female Student Life and Learning Advisors to create a supportive and fun environment in order to make sure that every student is thriving both mentally and physically.

Experience

TRAINING & DEVELOPMENT

DRIVE YOUR DEVELOPMENT

Athletes start with a full assessment of their physical performance and golf skills, giving our coaches the insight to create a personalized plan. Rooted in data and guided by our proven philosophy, this roadmap helps each athlete build on their strengths, address areas for growth, and move toward peak performance.

ON-COURSE TRAINING

On-course training gives athletes the chance to apply skills and knowledge in the most practical setting, the game itself. By setting goals and competing alongside peers, players gain invaluable experience that accelerates development and builds confidence under real playing conditions.

GROUP PRACTICE & WORKOUT

Athletes benefit from a balanced training environment that combines individualized attention with the energy of group practice. Our mental coach and physical performance coaches work one-on-one with players to address specific needs, while dedicated golf coaches guide group sessions that foster competition, accountability, and shared growth. This approach helps athletes thrive both as individuals and as part of a team. In addition, Summer Program participants receive a special discount on fitting services from Custom Clubs, ensuring access to equipment that is precisely tailored to elevate their game.

“ My son returned from the Summer Program with a new level of confidence, not just in his golf game but in himself. He made great friends and even qualified for his high school varsity golf team as a sophomore.

Experience

TOURNAMENT PREPARATION

Each athlete has the opportunity to compete in local and regional events while training under the guidance of our coaches. Our team supports players through every stage of the tournament process, from course mapping and pre-round strategy, to post-round analysis and mental training. This hands-on approach ensures athletes not only gain experience in competition but also learn how to prepare, perform, and adapt like a collegiate-level player.

COLLEGE PREP & PLANNING

Athletes receive a complimentary Junior Golf Hub Premium Membership. JGH is the leading online community for junior golfers, parents, and college coaches. The platform simplifies the college golf planning process with tools like Junior Golf Rankings. Athletes also benefit from tournament and college prep consultations during the summer.

Class of 2026 golfer, Kyle Beaudry, has built an impressive competitive record, including a commanding six-stroke victory at the 2025 Notah Begay III Connecticut Regional at Lake of Isles with rounds of 69-74 (-1).

Experience

TAKEAWAYS & BENEFITS

Each athlete is equipped with essential gear, ensuring they're fully prepared for the duration of the program. For those attending for three weeks or more, a high-quality golf bag is included.

Athletes receive exclusive merchandise such as water bottles, hats, workout shirts, and golf shirts, providing both style and functionality on and off the course. In addition, a discount on club fitting services are offered.

Athletes receive more than just physical takeaways. They will also leave with a comprehensive practice plan designed to guide their training for three months post Summer Program.
